

# TIKA

Tika will take you attention with its simple and modern appearance. A sofa with fluid continuous line running through the backrest and armrest, embrace sharp design supported with soft round shaped loose cushions. Tika also can be modular assembled to accomodate your own creativity and needs. Its elements are designed to blend in and convey a sense of balance, a timeless serenity.

#### PROCESS

All the fabric wooden and foam material cuts of Lemy Furniture are made in CNC machines according to technical drawings. Also all of our upholstering processes are handcrafted by our expert craftsmen
